

# Common Ground

Jerry Fredrick Smith

*Common Ground* is a recently published book by Hoosier artist Jerry Smith representing a thirty-plus-year compilation of his paintings. While not in chronological order, the paintings illustrate his artistic journey and his progression over the years from tight renderings to a looser, more impressionistic painting style.

"Smith's work is dynamic in brushwork and atmosphere, full of wonderful shapes and blocks of color that appeal to landscape lovers" - *Richard Sperry, Bridges, A Gallery of Fine Art*

This 130 page, full color, 9 x 12 hardback book will be available the end of May. The cost is \$35.00 plus shipping. To order fill out the bottom form and return to:

Jerry Smith  
207 S. Grant Avenue  
Crawfordsville, IN 47933
